

THE DAILY BULLETIN.
WEDNESDAY EVE., JULY 2, 1884.

Opposition to Cleveland still growing in the East.

JOHN KELLY says that Cleveland's nomination will give New York to Blaine by 40,000 to 80,000.

The collections in the Lexington revenue district during the past year amounted to \$2,000,000.

Chairman Johnston has called a meeting of the Democratic State Central Committee at Frankfort July 16.

The Blaine men intend to carry the fight South. They now boast that they can elect him without New York.

More than 10,000,000 voters will vote at the next Presidential election. The total vote in the last race was 9,204,128.

"TILDEN, if named at Chicago, will be certainly nominated by acclamation," is the general talk among the New York City Democrats.

The Louisiana sugar planters have decided upon a general reduction of wages and a strike of about 100,000 laborers, principally negroes, is imminent.

The decrease of the public debt for June is about \$9,000,000. The reduction for the fiscal year just ended is about \$101,000,000, against \$137,823,233 last year.

Mrs. ELIZA BLACKNEY received a verdict, at Cincinnati, of \$5,000 against Chris Green, saloonkeeper, who sold her husband liquor after being notified not to do so.

All the railroads running into Chicago it is announced, have agreed to carry persons attending the Democratic Convention at one fare for the round trip, the tickets being good returning until the 14th of July.

THERE is continued opposition in the Cabinet to the President signing the Fitz John Porter bill. Logan's friends assert that it would be a public insult to him, and would lose the Republicans thousands of votes. The President does not take this view of it, and will probably sign the bill.

HON. ANDREW J. CLUNIE, a California delegate to the National Democratic convention, has arrived at Chicago. He says: "The California delegation will come here solid for Tilden. We believe that if Tilden nominated by acclamation he will accept. After Tilden, we will go solid for Thurman. We think he can poll more votes in this country than any other man. He is very popular in California."

The New York Sun says: We record our conviction that Bayard would be a far stronger candidate than Cleveland in New York, as well as elsewhere. Cleveland is a weak candidate because he has followed his own selfish purpose by undertaking to rule without regard to the party which made him Governor, and all the Republican kickers in the world could not make up for the Democratic votes he might lose. If quality is what we look for, Bayard is infinitely preferable, and if availability be the test, there is vast advantage in taking Bayard.

In going to the races, boys,
The best thing you can do
Is go to the track where you take
The Handy No. 2.
She'll put you through in first-class style
And right side up with care;
You'll see the river scenery
And when she lands, you're there.

The Flemingsburg Times-Democrat has been discontinued as a semi-weekly.

REV. S. B. ALDPERSON will preach at the Presbyterian Church, Ripley, next Sunday.

A duck that lays black eggs is a curiosity owned by Mr. Isaac Watkins, of this city.

The "Dudes" knocked under to "Our Boys," on Tuesday afternoon, by a score of six to three.

WHEN you go to the races take the new steamer Handy. She goes through the grounds. Accommodations for all.

CAPT. E. W. FITZGERALD, of the Mayville Club, has the reputation of being the best pitcher in the Ohio Valley. His playing is worth seeing.

Get your flags and let every house in the city be decorated on the fourth. The dealers have procured supplies of all that will be needed for the purpose.

THEY found Sam Wright, an eighty-year-old colored man, of Mt. Sterling, leaning on his hoe against the garden fence, but his soul had gone marching on.

DURING the races, which begin Thursday, the steamer Handy No. 2 will carry passengers to the course, landing at the grounds. She will make trips every half hour.

BUSINESS men who wish to use the columns of the DAILY BULLETIN, should send in their favors to-morrow morning as no paper will be issued on Friday, the fourth of July.

If you wish to enjoy a view of the scenery about Mayville, as seen from the river, go to the races by the steamer Handy No. 2. She will take you through to the grounds in ten minutes.

The steamer Handy No. 2 is large enough to accommodate all visitors to the races, and the boat lands directly at the grounds. She makes trips from the Mayville Wharf every half hour.

THE following marriage licenses have been issued in Brown County, O., since our last report:

Milner Brown and Martha Devore Dixon, Wm. Croswell and Emma Calvin Shaw, Alfred Donaldson and Rose Virray, S. M. Hudson and Anna Carroll.

Messrs. EGGEN & ALLEN, of this city, have been awarded the contract to put a tin roof on the livery stable of Messrs. Ham & Kimbrough, at Carlisle. The people there know where good work can be had.

THE Tuscan Reds, of Chester, and the Rough and Ready's, of Cabin Creek, will play a game of base ball at Jenkins' bottom, on Saturday afternoon. The Chester club is a new one but includes some good material.

Mrs. J. JAMES Wood received a despatch to-day announcing that Mrs. Elizabeth Finnell, wife of General John W. W. Finnell, died at Covington this morning. The funeral will take place to-morrow morning at ten o'clock.

At a meeting of the Mason and Lewis Turnpike Company, held in this city, on Tuesday, Mr. A. R. Glascok was elected a member of the board of directors. Dr. John P. Phister, of Mayville, was chosen President in place of Mr. G. W. Hull, deceased.

Leg Broken.

Mr. Thomas Boyce, a member of "Our Boys" club, while playing base ball on Tuesday afternoon, had his leg broken at the ankle by a fall. The fracture is a bad one. He was attended by Dr. J. T. Strode and Dr. A. G. Browning.

THE celebrated Rockford watch, sold in this city by Mr. Hermann Lange, the jeweler, is noted for its accuracy. It is used in all the observatories and by men everywhere, who are required to be absolutely correct in their time. If you want a watch you can rely upon at all times, call and see the Rockford.

At a meeting of the Board of Education held Tuesday evening July 1st, the following teachers were elected for the ensuing year:

HIGH SCHOOL.—Prof. W. W. Richeson, principal; Miss Anna H. Smith, assistant; District No. 1—H. C. Smith, principal; Miss Julia Campbell, assistant; Miss Belle Golding, second assistant.

District No. 2—Josiah Wilson, principal; Mrs. Mary E. Campbell, assistant; Miss Anna Campbell, second assistant; Miss Eliza Wallace, third assistant.

District No. 3—Prof. F. Williams, principal; Miss Matilda Powers, first assistant; Miss Sallie Burrows, second assistant.

Citizens' Meeting.

In pursuance of the notice in Tuesday's BULLETIN, quite a number of the leading citizens dropped in at the Central Hotel during the evening, and all expressed a willingness to do all they could to make the coming Superior Court Convention a grand success. A committee upon printing was selected, Hon. J. D. Kehoe as chairman. This committee will attend to the printing of tally sheets and tickets of admission, and to the preparation of badges for delegates.

A committee upon decorations and receptions was also selected, Col. Richard Dawson, chairman. All of our citizens, irrespective of party, are expected to serve upon this committee, and are requested to decorate their houses on July 17th, and to report to the chairman how many delegates they can accommodate, and at what rate per day. Several other committees were appointed, and from the feeling of interest shown, there is no doubt but that Mayville and Mason County will sustain their reputation for handsomely entertaining visiting strangers and friends.

Tribute of Respect.

The following minute was adopted by the First Presbyterian Sunday School, June 22, 1884:

We, the teachers and scholars of the Sunday School of the First Presbyterian Church of Mayville, Ky., feel that the severance of Miss Lizzie Cox, with our school, both as scholar and teacher, by her sudden death on June 10th, has been a sad loss to us. We offer to you, our beloved pastor, the following tribute of ourselves to the work in which we are engaged. Miss Lizzie Cox was a constant and faithful teacher, and the friend and the church of which it is a part, an intelligent and successful teacher, a prudent teacher, a cheerful teacher, a successful helper in every good work, and as the always on hand, always willing, always alert and quiet, to suggest and to advise, see ere now, cannot be but deeply felt. To her, as for ourselves, let us ever cherish her blessing, and follow the example she so faithfully set before us, and, then, to make up for the great loss—so that, when we too come to die, what has been said of her, with as much respect and admiration, may be but well prepared as she to enter upon the great beyond.

MORRIS.—That this minute be adopted and spread upon the records of the school, that we publish the same, and that a copy be sent to the family of which she was a member.

J. C. PECK, Secretary.

Sales of Land.

The following transfers of real estate have been recorded at the office of the County Clerk for the month of June:

Baptist Union lot A, one-half acre of grantor's interest in one hundred and forty acres, three rods and twenty-eight acres of land; George Graham and others to W. H. Cox, lot one hundred and fifty feet front on the creek, consideration \$250.

Saints lot B, one-half acre, lot one hundred and forty feet, south side of Mt. Sterling Pike; consideration \$101.16.

Stephen and others to W. W. Shiel, lot front on east side of Mt. Sterling pike; consideration \$101.

Stephen and others to Margaret Cook, undivided interest of grantors in a house and lot in the Fifth Ward, Mayville.

Nicolaus Burger and wife to James Smith, lot 61, one-half acre, lot one hundred and twenty between Second Street; consideration \$1,250.

R. G. Gill, commissioner to Mary L. Matthy, fifty and one half acres of land near Washington, also a house and lot in Washington.

Same to Emily V. Goosin, forty-three and one-half acres of land near Washington; consideration \$2,000.

Death of Mrs. Francis Harrison.

Mrs. Francis Harrison died on Tuesday evening at half-past seven o'clock, at the residence of her son-in-law, Mr. George W. Sulser, on Third street. Although she had been in feeble health for about a year past, her condition was considered improved and her sudden death was therefore a great shock to her friends. Mrs. Harrison was born in New Orleans and was sixty-five years of age. She was in the South during the late war and devoted her time and fortune to the relief of the sick and destitute Confederate soldiers. In many parts of the South her name is a venerated one among the men she cared for and helped in times of need. The news of her death will be received with sorrow wherever she was known.

Another Poor Man Struck by Fortune.

The man who has a lottery in his lottery is regarded as the happiest of mortals. At the last drawing of the Louisiana State Lottery two Memphis men drew \$15,000 each. Mr. B. J. Dorsey, a foreman upon the levees along the Mississippi, has been living in humble circumstances at 33 Jackson street. An Avalanche reporter reported to the corner of Jackson street and inquired where Dorsey lived. Q. "You mean the man that drew the lottery prize?" A. "Yes." "He's moved away. He used to live in a little house over there, but he's going to live in a fine house in Ft. Pickering now!"—Memphis Avalanche, June 4.

A more delightful entertainment was given for the benefit of the M. E. Church, at the residence of Mr. John Brodt, Tuesday evening. The neighborhood turned out en masse and a good crowd went out from Mayville. The Brodt family spared no pains to make every one happy, and we feel free to say that every one did have an excellent time. A handsome sum was realized for the church.

Neither man nor woman can hope to carry any point by the force of perspiration, with a mouthful of unclean, discolored teeth and an unpleasant breath. Sozodont remedies both these repellent physical traits, and is preeminently healthful as well as effective.
